

NETHER UNITED FC

WALLINGFORD, PA

Winter Indoor Soccer Registration Now Open through 12/15

Nether Soccer Academy

Nether United Soccer is continuing its successful Winter Indoor Academy. The Academy offers **fun soccer skills building** for players ages 3-10 years old. There are Petite & Papoose programs for younger children who are newer to the sport, as well as the Developmental Academy for older boys & girls interested in additional soccer development & fun over the winter months.

The Academy runs January 12th through March 3rd and will take place at Wallingford-area schools and gymnasiums.

Led by **Nether's professional youth coaches**, the Academy provides technical soccer training in a **fun, age-appropriate fashion** which delivers better, more confident players. These coaches provide players with soccer fundamentals, sportsmanship & teamwork while also introducing your child to new friends and experiences.

Registration fee is \$75 now through Dec 1st. After that date, a \$10 late fee will be added. Registration closes 12/15 (incl. Nether jersey)

Questions? email jlenart@npaasoccer.com
